The Laurels

The Laurels is a residential care home located in Titchfield, Hampshire. **We support up to six adults** with learning disabilities, autism, epilepsy, mental health needs and challenging behaviour.

Our warm and welcoming home features six bedrooms, along with **spacious communal areas** including a garden, kitchen, dining area and beautifully decorated lounge - perfect for relaxing or socialising with other housemates.

Located on a peaceful country lane, our home has plenty of stunning views. The village centre is just minutes away. Here the people we support can access **amenities** such as shops, a church, cafés, a community centre, a doctors surgery and a park. We also have two **shared home vehicles** – great for going on day trips further afield!

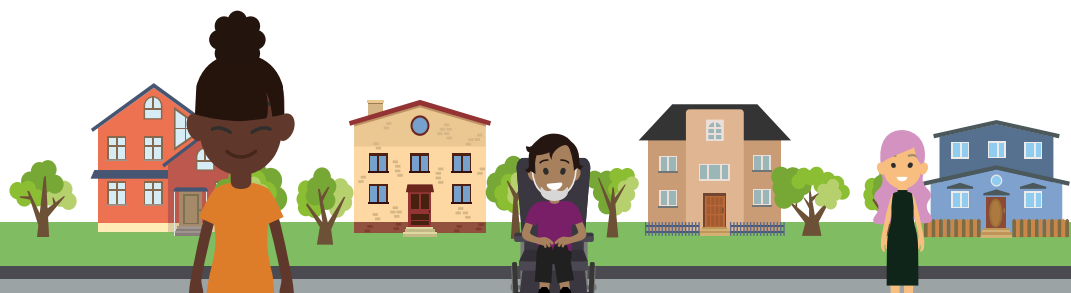

A place to call home

At The Laurels, we encourage the people we support to get involved with both **in-house and community activities**. These include swimming, trips to the cinema, bowling, going for picnics, visiting the arcades, countryside walks, attending music groups and going shopping! The people we support have their own **person-centred activity planners** tailored to their likes and needs.

We love to celebrate special occasions! We celebrate everyone's birthdays and special holidays through the year. Our team also encourages everyone to **explore different countries and cultures** - having fun celebrating different festivals!
